## Automation Of Grading Planned at High School

Speed Calculation of  
Averages; May Expand  
Later to Scheduling

Automation—electronic tabulation of grades—is expected to become a part of Granite City school district practices. A contract with the McDonnell Aircraft Co. school board meeting at 7:30 p.m. Tuesday. The meeting originally had been set for tonight.

The plan relates to records at Granite City high school, which expects 2000 students this fall and an enrollment topping 3000 in the future. Grading is to be machine-scored in 1964-65, with electronic programming of GCHS class schedules possibly added in 1965-66.

Grading automation advantages cited are:

1. Elimination of the need for an additional GCHS secretary.
2. Determination of both current and cumulative grade point averages in each grade period.
3. Printing of 87 averages on cards sent to parents.
4. Immediate identification and selection of all failing grades.
5. Preparation of student ranking lists.
6. Permanent record labels that eliminate all posting.
7. Precise averages—now only estimated—for Illinois state scholarships, college admission standing and the Granite City Scholarship Foundation.

**\$6700 Estimated Cost**  
Increasing complexity of class schedules, steadily higher enrollment and a greater number of requests for up-to-date cumulative scholastic rankings have been cited. Cost for 1964-65 is estimated at \$6700.

Computers at McDonnell—said to cost millions of dollars to operate—are in connection with space vehicle and aircraft research, but have such large capacity that additional computers—as such school grading—are accepted by the defense contractor. Schools using the service include Collinsville, Ferguson, Ladue and Normandy.

Decisions on what grades are merited by students will not be automated; they will continue to be made by the teachers, school officials point out.

**Travel, Extracurricular Pay**  
Other business scheduled for Tuesday night's board meeting includes revision of school employees' travel allowances and extracurricular pay.

An effort is being made to set travel pay close to actual costs, while avoiding sharp changes in total income. Appropriation for the fiscal year 1964-65 is planned for all those jobs require traveling from one school to another.

Contracts ready for final action include 1964-65 bus transportation, teacher transportation for special students, a two-year agreement with Teachers' Local 400.

## Fire Destroys New Young-Greenawald Plant This Morning; In Operation Only 2 Weeks

The Young & Greenawald steel fabrication plant, in operation only two weeks, was destroyed by fire that began inside the plant at 10:45 a.m. today.

The building, located at 21st and Adams streets, was gutted by a fast-spreading blaze that completely destroyed all of the machinery and contents of the structure within a matter of minutes. No estimate of the loss was available, but firemen said it would be thousands of dollars.

Speed with which the fire spread through the building was attributed in part to paint and thinner materials kept in ventilators for treating the semi-circular cuts of steel corrugated pipe which Young & Greenawald ships to all parts of the world.

**No One Injured**  
Oscar Nelson, plant manager who came to Granite City from East Chicago, Ind., six weeks ago to handle production at the new installation, said the fire started when a spark from a cutting torch flew into a vat of paint thinner. There was no explosion, Nelson said no one was injured, although an ambulance

was called and stood by while firemen fought the blaze.

Robert Locke, Granite City fire handling, the torch when the fire started, he was learned.

Nelson said he was unable to place an immediate estimate on the value of the machinery and equipment that were destroyed in the blaze. Most of two weeks' production of corrugated pipe of various sizes had been stored in the yards outside the plant and were not damaged.

**More Production Was Planned**  
According to Nelson, the recently opened plant was operating one assembly line with three shifts, employing 20 men, and had planned to start operation of a second line, employing another 20 men by the end of this week or early next week.

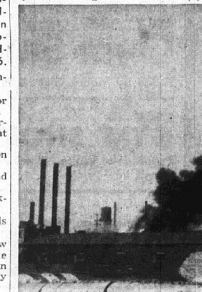

The building occupied by Young & Greenawald formerly was part of the property of the Granite City Supply Co., which closed down its business a few weeks ago. Young & Greenawald bought the property about six weeks ago. It would have buildings available to permit immediate installation of machinery and production. Production of

fabricated pipe began two weeks ago on the first assembly line.

Large clouds of black smoke that billowed from the plant shortly after the fire started attracted hundreds of sightseers and a long line of bumper-to-bumper traffic. Power lines broke loose from the one-story brick building on several occasions, but power company crewmen were on hand to disconnect them.

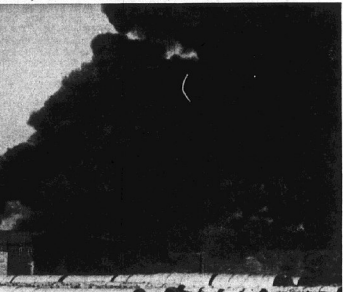

Firemen frequently had to wait onlookers away from the burning building as the flames crumbled under powerful streams of water from fire hoses. The blaze was brought under control within an hour, but firemen continued to pour streams of water on the smoldering ruins early this afternoon. Firemen also began knocking down weakened walls with fire hoses to eliminate the danger of collapsing wall sections.

A trail of land near the city dog pound is in the process of being rezoned by the city for use as a parking lot. The 21st street site was acquired for immediate production.

**Engine Falls Down Embankment Today**  
A diesel engine jumped tracks in the Terminal Railroad Association yards near the Broadway intersection in Venice about 10:45 a.m. today and slipped down a ten-foot embankment.

Its cab came to a halt projecting into the air, but the large engine did not topple over and its crew was able to scramble to safety. The task of removing it was in progress this afternoon.

**ALL THAT REMAINS** of the recently opened Young & Greenawald steel fabrication plant at 21st and Adams street after fire engulfed the building this morning. The remains of the building, which was under construction, are visible in the background. A stack of corrugated steel pipe, main product of the company, is shown stacked along the crumbling brick wall at left. Machinery and equipment is beneath the rubble.

**10 Undergo Surgery At St. Elizabeth Hospital**  
The following are recovering at St. Elizabeth Hospital from surgery which they underwent since Thursday:

**New Pupil Registration Scheduled This Week**  
Registration of pupils new to the Granite City school district will take place from 9 a.m. to 4 p.m. Wednesday, Thursday and Friday at all grade schools. It also is continuing daily this week at Granite City high school and the three junior high schools.

Prospective freshmen will register tomorrow at Venice and Lincoln high schools, and new kindergarten pupils will register Wednesday in the Venice district. Madison kindergarten pupils and other students new to the district are registering tomorrow morning daily at all Madison schools.

**Truck Hits Fire Plug**  
A hit-run truck driver broke off a fire hydrant with a backhoe and Madison avenue about 12:30 a.m. Saturday. Witnesses told police the truck was going south and making a right turn when it struck the hydrant, breaking it off.

## GC to Try Again for Park at Old Cemetery

Bishop Supports Move To Clear Catholic Area; For A 'Quiet Park'

Granite City is trying again to convert the old cemetery in East Granite for use as a "quiet park," it was learned yesterday from William Jenkins, assistant city inspector.

Jenkins said his first move will be for clearance of the Catholic section of the tract, and that if the effort is successful, an attempt will be made to clear the Protestant section.

Bishop William A. O'Connor of the Springfield Diocese has given his permission, and a meeting is to be held at 7:30 p.m. Thursday, Sept. 3, at Sacred Heart school, 26th street and Washington avenue, for all Catholic families with relatives in the cemetery.

Jenkins said announcement of the meeting will be made during Masses at all Quad-City Catholic churches next Sunday urging attendance at the Sept. 3 meeting.

**No Burials for 25 Years**  
He pointed out the old St. Mary's Cemetery, which has been an eyesore for many years, has been cleared of weeds and debris numerous times since the

**Police Chief Willard Is Hospitalized Friday**  
Granite City Police Chief Raymond Willard was hospitalized Friday when he began hemorrhaging from the nose while at his office. He is a patient at Jewish Hospital, St. Louis.

Chief Willard, 46, suffered the severe nose bleed twice on Friday and again on Saturday and yesterday. His family said today that his condition has improved.

**5 DAYS WITHOUT QUAD-CITY TRAFFIC DEATH**

**Friday's Rainfall—Heaviest of Year for Quad-Cities Area**

Disgruntled Quad-Cityans who were forced out of bed about 4 a.m. Friday to close windows took note of the first measured rain in almost a month before crawling back in bed. They discovered later that by 8 a.m. nearly two inches had fallen, the heaviest downpour recorded for any one day this year.

Lightning which accompanied the rain knocked out a transformer in East Granite about 6 a.m., cutting off electric power at 152 and 153 streets for an hour and 15 minutes. Several traffic accidents were caused by either slick pavement or wet brakes.

The heavy rain, which lasted until about 8:30 a.m., flooded streets, and autos stalled at several locations. Pedestrians also were inconvenienced at the morning rush hour as many took off shoes and stockings to wade across roads.

Friday's rainfall was measured at 1.92 inch, and another 0.1 inch was recorded at the 8 a.m. rain gauge reading on Saturday. Total Quad-City rainfall for this year now stands at 19.27 inches or nearly 6 1/2 inches below normal.

County farm officials said the rainfall would help the hay and pasture crops to some extent, but that it came too late to save at least 50% of the corn and soybean yields—the county's largest crops.

## Huge Crowds As Mexico Tour Ends; Return To GC Today

\$5000 Vandal Damage At New Shopping Site

Vandals caused an estimated \$5000 damage to the new Nameoki Village shopping center buildings north of Kroger Market along Nameoki road, it was reported to police this morning.

The vandalism occurred between 1 p.m. Sunday and 8 a.m. today. Paint was hurled on inside walls in the new buildings, holes were punched in newly-installed ceiling tiles, boxes of the store were broken open and the tile damaged, holes were knocked in several walls and a large water valve was smashed.

The buildings are being erected for Gasen Drug and Grocery by Ken Evans, Inc., St. Louis contractor.

**Government Host**  
The ensemble reached Nuevo Laredo Saturday night and crossed the border Sunday for the return trip by bus. The Mexican government had been host for the journey, providing an air-conditioned railroad car and housing which was described as generally excellent after disappointments early in the trip.

Everywhere, the students, 13 adults and three children enjoyed good food. Audiences responded with appreciation to their carefully learned renditions of authentic Latin music, and officials greeted them upon their arrival in each city as well as honoring them at special ceremonies.

The huge throng at Torreon filled the public plaza and nearby streets. Newsreel motion pictures were taken of the performance and of the audience, which included the mayor and his family in the front row. The concert was preceded by a performance of the American School and was followed by a banquet.

**Descend From Mountains**  
The all-male band in Torreon was enjoyed because the ensemble had returned to warmer areas after encountering chilly weather in the mountains.

Naps were taken Thursday afternoon following a luncheon which included fruit cocktail, vegetable soup, rice, seafood, T-bone steaks and dessert. The group was entertained at a country club prior to the two evening concerts.

Torreon was reached by a four-hour train ride from Durango, where the ensemble attended a formal party and dance at the Lions club house annual group coronation. The queen's attendants represented other Durango service clubs.

Two orchestras played, and the hall was extensively decorated in yellow and purple, with crystal chandeliers and a large American flag. The setting was described as reminiscent of the David Prophet hall and the Granite City high school graduation ceremonies.

**MOOSE LODGE SETS SEPT. 12 FOR 'KIDDIES' PET PARADE**

The annual "kiddies" pet parade, sponsored by Moose Lodge 273 will be held at 2 p.m. on Sept. 12, it was announced today by Joseph Jacobovich, civic affairs chairman for the lodge.

Jacobovich said the announcement is being made weeks in advance so that children of the Quad-Cities may begin preparations. They will be notified of costumes for their pets and decorative wagons and buggies.

The exact routing of the parade—usually held in the downtown business district—will be outlined at a later date.

Prizes are to be awarded for first, second and third place for the most unusual, most comical and most realistic pets. Following the parade, refreshments will be served to the participating youngsters and entertainment.

Moose Lodge 273 is a branch of the Moose Lodge of America.

The master of ceremonies will be Magistrate Andrew Gaspard. The parade will be held at 2 p.m. on Sept. 12, it was announced today by Joseph Jacobovich, civic affairs chairman for the lodge.

It was reported Saturday by Harold Major, operator. The coin machines had been pried open.

Revolver stolen.

Tram Dunigan, 1007 Bissell street, Venice, reported to Venice police Thursday afternoon the theft of a .32 caliber revolver from his automobile while it was parked at the riverfront near Venice. Police picked up and questioned a suspect who later was released.

## Agreement Reached At Union Starch

Picket Line Set Up, Withdrawn; Workers To Vote on Contract

A tentative union agreement between Union Starch & Refining Co. and its employees, members of Oil, Chemical and Atomic Workers Local 7663 was reached early this morning after a strike was called and a picket line placed around the plant.

The picket line was withdrawn immediately after the agreement was reached in the U.S. Conciliation and Mediation Service offices at St. Louis about 4 a.m.

Union and company officials went into a final negotiation session with U.S. mediators at 2 p.m. Sunday and still were meeting when the midnight strike deadline set earlier by the union, arrived.

Floyd Miller, president of the local which represents approximately 500 workers at the plant, said the proposal is to be presented to the membership for ratification at a meeting set for 8 p.m. today in the Labor Temple. The plant remained shut down today with only office and maintenance personnel on duty.

The strike deadline was set after a series of negotiation meetings broke down last Thursday between union and plant officials. Another session with U.S. mediators was held Friday without results.

**Terms Not Disclosed**  
Miller said he could not discuss detailed terms of the agreement until after the membership had the opportunity to act upon it tonight. It was understood, however, that the agreement provides for a two-year contract, with wages and fringe benefits, with a provision that wages may be renegotiated again next year. Fringe benefit issues which were principal points of issue were to be the medical and pension provisions.

The union first set a strike deadline for Thursday, Aug. 26, but the strike at that time was called off upon intervention of the U.S. Conciliation and Mediation Service. The union granted a two-week extension of the old contract, which had expired in June, to permit time for negotiation meetings with U.S. mediators.

Negotiations remained in deadlock through last Thursday when both company and union officials admitted negotiations had broken down.

The weekend sessions then were scheduled by mediators at St. Louis, resulting in the agreement early this morning.

It was understood the agreement involves a wage increase of 10.5 cents for the current contract year, which may be applied in different ways to fringe benefits.

**Burglary, Theft Cases Reported**  
Weekend thefts in the Quad-Cities, involving a variety of crimes, are being investigated.

A burglar stole a pay telephone and took coins from a cigarette machine and two quarts of oil at the Derby service station on Route 203 south of Madison between 10 p.m. Saturday and 8 a.m. today, Sam Whittington notified the sheriff's office.

The intruder broke a rear window. Thieves looted two coin vending machines at the Tri-Motor Boat race each Friday afternoon. It was reported Saturday by Harold Major, operator. The coin machines had been pried open.

Revolver stolen.

Tram Dunigan, 1007 Bissell street, Venice, reported to Venice police Thursday afternoon the theft of a .32 caliber revolver from his automobile while it was parked at the riverfront near Venice. Police picked up and questioned a suspect who later was released.

Theft of a camera from her auto while it was parked in the 1800 block of Edison avenue Thursday afternoon was reported to police by Mrs. Erica Pritchett, 1809 1/2 N. Dearborn.

Robert Dunscomb of Edwardsville, an American Steel Foundries employee, reported to Granite City police Sunday that the spare tire had been stolen from the trunk of his auto.

A 1962 blue four-door station wagon belonging to Joseph Tucker, Florissant, Mo., was stolen between 8 and 9 p.m. Saturday when it was parked in the 2900 block of Cayuga street.

## \$28-\$64 Monthly Increases in New Teacher Schedule

The new salary schedule drawn up for inclusion in an agreement to be approved by the Granite City school board Tuesday night sets monthly pay (total divided by nine) at \$277-\$588 for the current year and \$288-\$598 for 1965-66.

The settlement reached in the spring called for pay boosts totaling \$335,000 over the two-year period. It was later decided to grant larger raises at the end of the 12-year schedule than at the beginning, which also includes fringe benefits and procedural guarantees.

A starting teacher with a bachelor degree earned \$266 monthly last year and would receive \$304 this year (with credit for a year's experience) and \$322 next year (two years' experience). Of the \$28 monthly hikes each year, \$17 is due to gaining experience and \$11 is due to adoption of the higher salary schedule.

College Credit Hours

In another example, an instructor with two prior years of experience and a bachelor degree with 150 college credit hours was paid \$622 monthly last year and will get \$675 this year, his fourth year, and \$716 next year. The \$53 raise includes \$39 for experience (also known as salary increment) and \$14 unimproved schedule, while the additional \$14 is due to gaining experience and \$11 is due to adoption of the higher salary schedule.

A teacher with a bachelor degree and 175 college credit hours, paid \$766 in his eighth year last year, will get \$808 this year and \$858 next year. The initial \$39 raise consists of \$11 for experience and \$28 higher schedule, and the extra \$33 next year will include \$23 for experience and \$10 higher schedule.

Master degree and five, six and seven prior years of experience gives monthly pay of \$738, \$802 and \$858 on the three schedules. The first raise, \$64, involves \$39 for experience and \$25 higher schedule, while the following \$38 hike includes \$11 for experience and a further \$25 schedule improvement.

With a master degree and 190 college credit hours, a teacher in his tenth year in 1963-64 received \$844. He will be raised \$30 to \$874 this fall (\$11 experience and \$19 higher schedule). In 1965-66, he will be raised another \$64 to \$938 (\$22 experience and \$42 schedule improvement).

## Roy Montgomery, 62, Dies of Heart Ailment

Roy Montgomery, 62, of 1333 Rhodes street, a welder at General Steel Industries for 35 years, died about 5:40 a.m. Saturday at St. Elizabeth Hospital where he had been a patient three weeks. He had been ill with a heart ailment for two years.

Montgomery was born near Wickliffe, Ind., and lived here 35 years. He was a member of the Madison First Baptist Church, Masonic Lodge 835 AF&M, the Scottish Rite bodies, Ahad Temple, United Fellow Lodge 719 and Rebekah Lodge 570.

Survivors include his wife, Nell, a stepson, James Arnett, Granite City; a stepdaughter, Mrs. Russell (June) Peck of Collinsville; two brothers, Arvo and Lee Montgomery of Washington, Ind.; and a sister, Mrs. Francis (Ona) Abbe, Vincennes, Ind.

Services were held at 1 p.m. Sunday at the Madison funeral home in Wickliffe. Burial was in Wickliffe Cemetery. Further information is given in today's obituary column.

## Three Area Couples Obtain Divorce Decrees

Three divorce couples have obtained divorces in Madison county circuit court at Edwardsville last week. The decrees were issued by Judge Hargrave of Venice from Stanley Ray Hargrave of Granite City. They were married June 22, 1963, in Madison, and separated last April 15. She charged cruelty and desertion.

Annette Mitchell of Granite City, a minor, by her mother, Pauline Hayfield, from William W. Mitchell of Granite City. They were married March 5, 1961, and separated last May 1. She charged cruelty and desertion.

Judy Adams from Joseph Adams, both of Granite City. They were married May 20, 1957, in Pocatambo, Ark., and separated last June 12. She charged cruelty and received custody of two children. He was ordered to pay \$133 per month as child support.

## Two \$25,000 Suits Filed over Accident

Chester Orr and Elizabeth Orr each have filed a suit seeking \$25,000 from Catherine Vulin of Granite City as a result of a traffic accident on April 27, 1963, at Nameoki and Johnson roads.

The complaint filed in Madison county circuit court at Edwardsville, alleges that Mrs. Vulin ran her automobile into the rear of one driven by Ronald Ligowski, driver of the car in which the Orrs were passengers. They claim severe and permanent injuries and charge negligence and speeding on the part of the defendant.

## Woman in Traffic Crash Charged with DWI

A charge of driving while intoxicated was placed against Bessie E. Butler, 55, of 1747 Delmar avenue, following an accident in the 1200 block of 2nd street about 2 a.m. Sunday when a parked car belonging to Third Ward Alderman J. D. Bergfield, 2201 Cleveland blvd., was struck.

Police said the Butler auto was being driven east at the time of the crash. She was later released on \$200 cash bond.

## \$990 Suit on File

The Paul Sebold Concrete Co. has been named defendant in a \$990 suit filed by the Bissell Auto & Body Co. in Madison county circuit court at Edwardsville. Bissell claims Sebold owes that amount for materials sold and delivered, and also seeks costs of the suit, which will be set for a magistrate's court.

## GC Man Charged with Firing Pistol in City Limits

J. D. Rippey, 29, of 2569 Circle drive, was arrested about 4 a.m. Sunday in North Granite on a charge of discharging a gun in the city limit.

Police said he was firing a .38-caliber pistol in the air. He was later released on \$25 cash bail.

## Backs into Parked Car

Helen Tonoff, 43, of 2579 Waterman avenue, backed her car to make room for oncoming traffic and collided into the left side of an auto owned by Brenda Roderick, 21, of St. Louis, which was parked at the curb at 2559 Iowa street at 4:40 p.m. Thursday. Both cars were damaged.

## County Wheat Farmers Getting 1965 Notices

Madison County wheat farmers are being notified this week of the 1965 allotments, normal yields and payment rates established for the 1965 wheat program.

Walter F. Bardeineier, chairman of the Madison ASC County committee, said today the allotments and yields should be about the same as those in effect for 1964, and will be used as a basis for computing payments for farms which take part in the 1965 voluntary wheat program. The purpose of this program, which Congress authorized a few weeks ago, is to increase wheat income and reduce government storage costs by preventing a further increase in overabundant wheat stocks.

To be eligible for program benefits, 11.1% of the wheat allotment acreage must be devoted to conserving use and intentions to participate must be filed by the farm operator during the sign-up period, August 24 thru October 2, 1964. These and other details of the program are explained in a leaflet included with each allotment notice.

Bardeineier is reminding farmers that the wheat law provides an opportunity for producers to appeal the determination of the allotment notice, if it appears there has been an error, or there is dissatisfaction with any determination for the farm. Included with other appeals can be one to have the farm normal yield based on actual production of wheat during the 1959-1963 period. Evidence of production must be furnished for each of the five years. Appeals must be filed within 15 days of the date of the notice.

Other details of the 1965 wheat program may be obtained at the Madison County ASCS Office, 110 North Main street, Box 181, Edwardsville.

## County NFO Sets Up Information Centers

In compliance with the National Farmers Organization holding action on cattle, hogs and sheep, four information centers have been established in the county by the Madison county chapter.

The centers are at the following homes: Clarence Kinkel, Route 5, Edwardsville; Martin Aljets, Dorsey, Hilbert Klenke, Route 3, Edwardsville; John Hamel; and Omar Perschbacher, Route One, Highland.

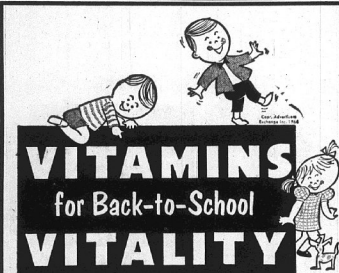

Members of the county group recently conducted a survey among non-member farmers on reaction to the holding action, and a spokesman for NFO reports that 75 to 80% of the non-member farmers favor the holding action.

## New Tax Money Expected—City Shows \$181,228 Deficit

Granite City's monthly financial report for July reflects the delay in collection and distribution of 1963 taxes. A \$181,228 deficit for the 17 general fund accounts is listed on the first quarter financial report.

The 1963 tax collection now is in progress, and the fund balance-deficit picture is expected to change materially by the end of this month.

Special fund disbursements for the first quarter of the new fiscal year totaled \$298,245, resulting in the \$181,228 deficit. Special fund disbursements in the same period amounted to \$138,040, and the July 31 balance for the special funds accounts was \$670,266.

The city's general income in the first three months of the fiscal year, which started May 1, amounted to only \$85,500, while income for special accounts in the same period totaled \$186,707, of which \$63,408 was received from sales tax and \$123,314 from parking meters. In addition, the special accounts showed an income of \$101,593 motor fuel tax and funds for street projects.

A breakdown of the general fund disbursements and July 31 balances or deficits follows:

**General Fund Breakdown**  
Fire department, \$67,362 and \$37,804 deficit; water, \$44,299 and \$194,040 deficit; street department, \$53,108 and \$242,4 deficit; street lighting, \$5,247 and \$33,671 deficit;

pumping station, \$172 and \$4,007 balance; general government, \$22,992 and \$10,450 deficit; city hall, \$8218 and \$3012 deficit; police department, \$68,072 and \$39,717 deficit, inspection department, \$6,520 and \$265 deficit; election, none and \$560 balance; sanitation department, \$44,562 and \$38,719 deficit; inter- and judgment, \$4164 and \$2728 deficit; dog catching, \$3171 and \$1966 deficit; contingent, \$3114 and \$352 deficit; tax commissions, \$6935 and \$4394 deficit; school crossing guards, \$1134 and \$770 deficit, and city planning, \$880 and \$255 deficit.

A similar breakdown for the special fund accounts follows: Municipal retirement, \$7,667 and \$8701 balance; working cash,

none and \$133,968 balance; parking meters, \$5762 and \$80,291 balance; police pension, \$31,027 (including \$24,983 in government bonds) and \$9850 balance; firemen pension, \$8585 and \$21,423 balance; public library, \$13,330 and \$33,707 balance; arterial street maintenance, \$32,748 and \$55,038 balance; unclaimed rebate, none and \$6338 balance; civil defense, \$1,347 and \$3529 deficit; sales tax, none and \$301,798 balance; maintenance of sewers, \$4194 and \$110,188 deficit; special street fund, none and \$24,416 balance; southern extension sidewalk paving, none and \$80 balance; motor fuel tax project, \$27,207 and \$110,970.

## Federal Land Available For Homes, Campsites

Approximately one-third of the acreage of the United States is still public domain, and as much may be obtained through lease or purchase from the federal government as home or campsites. The tracts do not exceed five acres each.

Any citizen of the United States or any person who has declared his intention to become a citizen is eligible to buy or lease small tracts under the Small Tract Act of June 1, 1938, and to certain other public domain lands.

Comprehensive lists of such lands are not available from the government and the burden of locating such areas lies with the citizen. Often the land records maintained by the local government recording office, community or church, show the location of public lands. Application forms are available from the Bureau of Land Management Office. More details are available in the booklet "Small Tracts" (1961), which may be obtained from the Government Printing Office or Information Office, Box 2353, Washington, D.C.

Applicants were judged on the basis of their high school transcripts, rank in class, membership in a General Baptist church, letter of recommendation from their pastor, and their activities in school, community and church. Finalists were given tests and personal interviews at the college.

Miss Crump was graduated last June from the Granite City high school where she was active in National Honor Society, Masque and Gavel, Advanced Leadership, GAA, Student Council and the Pep Club. As a member of Cedarview General Baptist Church she has held various offices in the Sunday school, Christian Endeavor and Girls Guild. She was recommended by Rev. W. F. Crayner after four years at Oakland College as a mathematics major.

## Man Pleads Innocent To 3 of 5 Charges

Woodrow C. Browning, 22, of 2113a Washington avenue, was released from custody on property bond Thursday afternoon after he pleaded innocent to three of five charges Wednesday before Magistrate Gasparovic who will hold a hearing later.

Browning was arrested at 2121 Washington avenue at about 5 a.m. Wednesday after a woman appeared at St. Elizabeth's emergency room and told a nurse she had been threatened with a gun. Police confiscated a .22 caliber pistol.

He pleaded not guilty to charges of battery and aggravated assault filed by Phyllis Heuser of 2124 Washington avenue and a charge of reckless conduct filed by Pauline Finker. He told the court he could not recall the act.

He pleaded guilty to charges of drunkenness and creating a disturbance and was fined \$10 and costs on each.

## State Hospital Seeking Volunteers for Project

Alton State Hospital is again searching the community for "normal" functioning individuals to serve as control subjects in a research project started almost two years ago. The need is for men and women 25 to 40 years of age whose education ranges from the eighth grade through a high school diploma. Eight dollars in pay will be awarded to those who volunteer.

Donald Tatro, psychologist in charge of the research, said the obligation would be to take written tests similar to those given to about 200 psychotic patients. Results from the "normal" subjects would be used as standards for evaluating the answers given by patients.

Persons can register for the project by calling Tatro at the hospital (465-5293, ext. 339).

Testing will be from 8 a.m. until noon over a four-day period. The study is part of a state-wide program being conducted cooperatively by state institutions and the University of Illinois, under the direction of Dr. Raymond B. Cattell, university professor. Its purpose is to establish more effective methods of differentiating between various forms of mental illness.

## Weddings Highlight Late Summer Social Season in the Quad-Cities

### James Lavelle, Miss Mears Exchange Wedding Vows

The wedding of Miss Cheryl Ann Mears and James Charles Lavelle III took place Saturday morning at a Nuptial Mass performed at St. Ann's Catholic Church, Normandy, Mo., by Very Rev. Msgr. Frederick J. Suprenant. Mr. Lavelle is a son of Mr. and Mrs. James C. Lavelle of Rural Route One.

The altar was banked with greenery and decorated with large baskets of white summer flowers. White ribbons marked the center aisle.

The bride, a daughter of Mr. and Mrs. F. Blair Mears, 7347 Burwood drive, Normandy, wore a sheath gown of white silk organza enhanced with pearl-etched Alencon lace. A cathedral train was caught at the waist by a flat bow. An illusion veil was held in place with lilies of the valley encrusted with seed pearls; and the bridal bouquet, a

large cascade, was made up of lilies of the valley and stephanotis.

Miss Mary Virginia Dwyer was maid of honor, and bridesmaids included Miss Gerry Sharp, Miss Mary Michael O'Keefe and Miss Betty Lavelle, a sister of the bridegroom. Their floor-length gowns were Sistine blue chiffon over organza. Matching bows and short illusion veils were worn in their hair and they carried bouquets of roses and stephanotis.

Janice McQuaid, a niece of the bridegroom, was ring bearer, and her sisters, Theresa and Susan, were flower girls. They wore floor-length dresses of white silk organza with blue organza sashes. The flower girls carried baskets filled with blue and white carnations and "mums." Bands of blue and white flowers were in their hair.

Mrs. Mears, the bride's mother, appeared in a pale blue silk linen dress with a lace and chiffon bodice. The bridegroom's mother was in a pink lace dress. Both wore rose corsages.

Francis J. Dwyer was best man for Mr. Lavelle, and groomsmen and ushers included Michael Mears, a brother of the bride, Paul Brown, Peter Dominguez, Kenneth Ferro and Robert and Richard Peyser, of New York, cousins of the bride.

The bride's parents gave a breakfast at their home directly after the ceremony and a reception was held in the evening at Creve Coeur Country Club.

When they return from a honeymoon trip the newlyweds will establish their home in Normandy.

Mr. Lavelle received a B.S. degree in speech at Southern Illinois University and plans to teach in the Alton school district this fall.

#### Morrison Has Appendectomy

## Warriors to Start Without Head Coach

Football players at Granite City high school today found themselves without a head coach two days before the start of pre-season workouts.

That shortcoming is just temporary, however, with grid boss Jim Morrison due to join his team soon, perhaps later this week, after recovering from an emergency appendectomy.

Morrison underwent surgery Thursday morning after being stricken late Wednesday night. The coach, his wife, Betty, and infant son had just returned Wednesday afternoon from an Ohio vacation.

"I hope to be dismissed by Wednesday or Thursday, but of course that's up to the doctor," Morrison told the Press-Record late this morning. The second-year coach is doing well and was able to leave his bed to use a hallway telephone at St. Elizabeth's Hospital.

"I'm not at all worried," he said. "I have a fine bunch of assistants. Morrison is keeping in touch with the other coaches and plans a staff meeting today at this season's first practice."

#### Lettermen to Return

Eleven returning lettermen are expected for the Fighting Warriors' first workout, which is slated for Wednesday morning. They include co-captains Ernie Kern, 185-pound guard, and Jerry Lybarger, 173-pound guard, who may be tried at halfback this season's first game.

Other two-year lettermen are John Evenden, 250, tackle-center; Joe Hauptman, 20, end; Jerry Line, 213, tackle; Mike Mounce, 160, halfback; and Nick Pettilio, 155, halfback.

Other lettermen are Tom Craycraft, 160, fullback; Tim Gibson, 190, tackle; Chuck Mizerski, 234, tackle; and Doug Wierski, 155, quarterback. All are seniors.

Varsity players at GCCHS were receiving their equipment today, with sophomores due to check out their starting at 8 a.m. tomorrow.

#### Madison Expects 11

Coach Glen Pickering of Madison high school has been checking out equipment and plans to start two-day workouts Wednesday. Physical examinations are slated for 9 a.m. Wednesday, with a short practice to follow.

The Trojans are also expecting 11 lettermen to return. Included are three juniors: Tom Williams, 175, quarterback; Paul Lusk, 190, fullback; and Alton Bender, 153.

The seniors are Ezzel Malet, 180, guard; Bob Clinton, 170, center; Frank Broyles, 165, halfback; Jack Miller, 200, tackle; Dan Sweeney, 170, tackle; Miller, 190, guard; Ron Teleniewski, 200, tackle; and Dave Pukalski, 163, center.

The 32-man park baseball team is a Friday, Sept. 18, home date with Riverview Gardens. Mo. Madison opened at Edwardsville in a contest that may be played Saturday morning, Sept. 19, since that school's field lights have been taken down due to construction activities.

## Liberty Home Takes Tavern Championship

A forfeit victory over Lake-side Inn yesterday clinched the Tavern League slow-pitch softball championship for Liberty Home.

The champs finished with an 11-1 record, followed by the Sportsman's Club (8-2), which lost yesterday 7-5 to Polish Hall. Polish Hall and Bowland are tied for third with 7-4 records.

Everett Cottrell hit a homer and Duke Friend had three hits for Polish Hall while Stan Serwaka pitched the victory. Homing for Sportsman's Club were Don O'Shea, Jim Goodrich and Clarence Jones.

Bowland trimmed Buzz's 10-4 with Ray Hoffman pitching. Ed McGovern homered, Frank Seardale went 4-for-4 and Al Kaizera had three hits for Bowland.

Teams will makeup rain-out games later this week, with post-season playoffs due to start after the Labor Day weekend.

#### State Champs Ask for Help

Spengler-Dawes, champion in the recent Illinois state slow-pitch softball tournament, is seeking financial aid for a trip to the world finals over the Labor Day weekend at Springfield, Ohio.

The team, composed mainly of college students, needs between \$1500 and \$2000 for some new equipment, transportation and lodging.

Co-sponsors E. Merald Dawes and Robert Spengler reported some success in soliciting donations from businessmen last week but said much more help is needed.

Any Quad-City individual or business wishing to aid the team may send donations in care of Spengler-Dawes, Bellemeor Barber Shop, 2340, Nameoki road, Granite City.

#### Slow-Pitch Entries Due

Entries close Friday for the Granite City park district's Labor Day slow-pitch softball tournament, it was announced today by Harold Brown, director of parks and recreation. Interested teams should contact Brown.

#### Price Boosting Average

Granite City's Bobby Price has his average on the upgrade after a slow start for the Minnesota Twins' Orlando farm club in the Florida State League. Price, infielder, was hitting .231 at last report with 18 hits in 78 tries.

## Rain Washes Out Baseball Meet, Softball Games

Weekend rain was a welcome sight to most Quad-Cityans, but it played hob with local baseball and softball schedules.

Baseball games were all games in the Granite City park district invitationals boys' baseball tournament, the Church and Classic Softball League leagues and the Venice Sportettes Girls' Twilight Softball League playoffs.

Baseball games were postponed because of rain until this weekend when the schedule will be played.

Jerry Donley, director of competition, said, "The original schedule called for opening-night games Saturday and semi-finals Sunday, with the finals to follow Sunday, Aug. 23."

Baseball games were postponed because of rain Friday night. Rescheduled for Saturday night are Bellemeor Community vs. Tri-City Park, Second Baptist vs. Community Heights and Grace Baptist vs. West 22nd Baptist. The games will be the last of the regular season.

#### Also in the Church League

Community Heights plays West 22nd Baptist and Second Baptist plays Grace Baptist. The games will be the last of the regular season.

The Venice Sportettes will meet the Alton Hawks at 8:30 tonight at Lee Park for a game named after Friday night. The Sportettes were slated to meet the Lakers in Alton Friday in the first game of a best two-out-of-three series. The second game will be Wednesday night at Alton with a third game, if necessary, on Friday night.

#### Bill Meyer of Wood River won the super-modified feature stock car race Saturday night.

Bill Meyer of Wood River won the super-modified feature stock car race Saturday night. Meyer won the race by a wide margin in the past 10 weeks.

Meyer was followed to the finish line by Gene Hanner, who snapped a seven-win streak by him two weeks ago, and Ronny Taylor. Meyer also won the handicap race for the six fastest qualifiers and took the first heat race.

#### Other heats were won by Bud Pursley, Hanner and L. Solomon.

Pursley won the semi-feature and Barney Jones was the fastest qualifier in the time trials.

In the fender-bender competition, in the car of Gary Regot, 31, St. Charles, Mo., flipped over several times. Treated at St. Elizabeth's Hospital, he complained of pains to the left shoulder and fingers and headaches. Clyde Lindeman won the fender-bender feature and the first heat race.

#### Quad-City Classic Loop To Start Play Wednesday

Bowling in the Quad-City Classic Men's League, generally regarded as the top league here, opens at 9 p.m. Wednesday at Bowland. Joseph Stroyoff is league president.

Opening night pairings: Schlitz vs. Davis Funeral Home, Lucky Cats vs. Val-U Stamps, Brockus Machine vs. Biltmore Moving, Roswell Realty vs. P&S Amusement, Rose Bowl vs. Sampson Monument.

#### Many a man with a workable theory lacks the initiative and drive to push it through.

SHOWING AGILITY, ABILITY at the tennis game is Alvin Barnes Jr., executive director of the Associated Retailers and one of Granite City's better senior nesters. The "Senator" (he looks like Barry Goldwater, they say) lost this match 6-1, 6-3 Saturday morning to Alton teen-ager Ron Selkirk in the men's singles division of the Southern Illinois Parks & Recreation tournament at Wilson Park.

#### Granite Cityans Dominate

## Moss Wins P & R Men's Singles

Dave Moss won the men's singles and teenager John Van Buskirk took two championships over the weekend as Granite Cityans dominated the Southern Illinois Parks & Recreation tennis tournament at Wilson Park.

Moss, a Tulane University athlete, downed Mike Barnes of Murray State (Ky.) 6-2, 6-1 in a repeat of their championship battle in the recent Granite City park district tournament. Moss won the earlier dual 6-1, 6-3.

VanBuskirk, a member of the Coolidge Junior high school team last spring, won the 14-and-under singles over Louie Mehl 4-6, 6-0, 6-1 and downed Jimmy Holland 6-1, 6-0 for the 16-and-under title.

Rusty Toboren, former Granite City high school star, defeated Ron Selkirk of Alton 6-2, 6-3 for the 18-and-under boys' singles crown.

Moss and Barnes, the singles finalists, teamed their talents to defeat Toboren and Belleville's Larry Klein 6-1, 6-3 for the men's doubles championship. In the 14-and-under boys' doubles, Mehl and Popmarkoff defeated Randy Emiston on Tom Hanner and Cecil Davis 6-2, 6-1.

#### Bev Busick trimmed Nancy Sherman 6-4, 6-1 in a battle of Granite Cityans in the women's singles.

Only non-local champs were Collinsville's Edmiston, who downed McClinville, 6-2, 6-1. In the 12-and-under boys' doubles, Mehl and Popmarkoff defeated Randy Emiston on Tom Hanner and Cecil Davis 6-2, 6-1.

#### Stock Driver Extends Mark To 9-For-10

Bill Meyer of Wood River won the super-modified feature stock car race Saturday night. Meyer won the race by a wide margin in the past 10 weeks.

Meyer was followed to the finish line by Gene Hanner, who snapped a seven-win streak by him two weeks ago, and Ronny Taylor. Meyer also won the handicap race for the six fastest qualifiers and took the first heat race.

SMASHING SERVE is Granite City's John Van Buskirk in opening round play of the boys' division of the Southern Illinois park and recreation tennis tournament. Competing over the weekend at Wilson Park, tournament contestants also competed with the rain all day Friday, but completed their matches between showers.

## Two Madison Teams Drop Playoff Games

Two Madison Khoury league teams were eliminated from playoff competition in games at Madison yesterday. One remaining team will be in action tomorrow.

#### In playoffs for first place in the Bantam Division, Belleville overturned Rosydzki Cardinals 7-3, while in a fourth-place Midget contest Washington Park defeated the Madison Lions 4-3.

Tomorrow at 8 p.m., St. Mary's Saints will take on East St. Louis at the Third street diamond in second-place playoffs in the Midget Division. The game was rained out Saturday.

#### St. Louis Cardinals haven't finished last in the National League since 1918 when they won 51, lost 78. The manager that year was Jack Hendricks.

## Boosters, St. Clair Assured of Ties For Division Titles as Mercers Lose

Collinsville's Boosters downed Mercer Funeral Home 3-2 yesterday and gave themselves and St. Clair Heating of East St. Louis at least ties for the divisional titles in the Southwestern Illinois Inter-City Baseball League. The victory gives Collinsville a 14-4 record in the league. Sacred Heart's 11-7 mark with both Red Division teams having three games remaining. St. Clair, idle yesterday because scheduled opponent Altwood has dropped from the league, stands 13-5 in the Blue Division with three games left. Behind the Heaters are the Mercers and Pochontas with 11-8 records and two games left. Regular season play is scheduled to end Labor Day, Sept. 7, with the best two-of-three play-off series between the divisional winners starting Sept. 13. Collinsville, the winningest Inter-City team all season long,

lost its two games previous to yesterday. Those two setbacks delayed an anticipated early pennant-clinching in the Red race.

**Clutch Homer**  
A two-run homer by Collinsville catcher Donnie Bruce insured the Boosters' victory after the Mercers closed the score to 3-2 at Fletcher Field. The one-out poke came with Bill Moder, who had singled, on base in the eighth inning.

The Boosters scored twice in the fourth inning as Moder stole home, and Pat Dillon, who walked, came in on pitcher Doug Edwards' hit. The Mercers scored once in the fifth on Rich Soehnlin's double, a passed ball, and Harry Smith's sacrifice fly.

### Bill Seebold Wins Two Gateway Races

Bill Seebold of Granite City captured two firsts and was third in overall point total in the Gateway Regatta Boat and Ski Show which ended yesterday on the Mississippi riverfront in St. Louis. Seebold took top honors in class D racing runabout and class D outboard hydroplane contests. With 1500 points overall, he finished behind John Woods of St. Louis and Ralph Hemmings of Sikeston, Ill. On Aug. 16, Seebold had won three events in the national outboard championship in Casper, Wyo.

Pat Harris relieved Kofahl in the sixth inning and the two some gave up only five hits. Edwards allowed the Mercers six safeties.

**Hearts Top Maryville**  
At Wilson Park, Sacred Heart bombed the Maryville Red Sox 16-5 as Frank Hied and Adrien Rains each smashed three hits including a double. The locals had 16 hits in all.

Bob Ketter, Joe Hauptman and Sam George, who homered, all had two hits for the Hearts. Eddie Oprel also smacked a two-run homer.

The Hearts jumped away to a 6-0 lead in the third when four runs scored on singles by Ketter, Hied and Rains and George's round-tripper.

Next Sunday, the Hearts are home to Pochontas but the Mercers, slated to play Altwood, will be idle.

**Score by innings:**

## Sportsman's Wins In Open Loop Playoffs

Sportsman's Club, regular season titlist in the park open loop league, also won in league playoffs with two victories Thursday night.

Sportsman's defeated A-1 Products in the finale 15-3, after eliminating Lillian's first in the evening 16-7. Air Products had advanced to the championship round by taking a 24-13 decision over Union Star Thursday.

In the final game, Sportsman's was collecting 14 hits while Air Products could manage only six. Carl Linhart had three hits for the winners, including a home run. Pete Burdge also homered.

Getting two safeties were Ray Jones, Jim Goodrich and Burdge. For Air Products, Ralph Chapman and Charles Sabo each had two safeties.

Air Products had 24 hits and six home runs, including three homers by Harold Humphries, as it trounced Union Star in the semifinals. Fred Leidner, Cotton Singler and Gary Dugan also homered for the winners. Augie Boecora delivered three consecutive doubles for Union Star.

In the opener against Lillian's, Mike Sikora had four safeties including a home run for Sportsman's. Getting three hits for the winners were Linhart, Frank Schardale and Burdge. One of Burdge's hits was a sixth-inning home run. Wally Orr homered and Carl Alford had three hits for Lillian's.

**FIRST ENTRIES** in the Granite City park district's dog show to be held at 1 p.m. Sunday, Sept. 6, at the pool pavilion. In front is Jeff Evans, 2431 Madison avenue, with a black toy poodle, "Pepe." Standing are, left to right—Mrs. Mary Sikes, 1710 Garfield avenue, with a sable and white collie, "San-D";

Carl Graham, 2501 Hodges avenue, with a toy golden apricot poodle, "Amber Gem"; Mrs. Rita Wilhelm, Rural Route One, with a mahogany red dachshund, "Schaute"; and Chip Evans, 2431 Madison avenue, with a chocolate miniature poodle, "Cho-Cho."

The dog show is open to all residents of the Quad-Cities for a fee of \$1. Any pure-bred dog may be entered in the three categories—4 to 9-month-old puppy class and grown dog class. Registration papers are not necessary. Entry blanks may be obtained at the Wilson Park office and any further information may be obtained from John Birdsong at TR 7-3059.

### Credit Union Meets Undefeated Orioles In Khoury Semifinal

Granite City Credit Union will enter semifinals of the Khoury Senior League Class A playoffs Wednesday night against the undefeated St. Louis Orioles at Cardinals Park, St. Louis. Credit Union advanced to the semifinals on a forfeit Thursday evening from the Majestic Iron Workers. Mitchell, the other local Senior team in the Khoury playoffs, was eliminated yesterday 8-5 by Affton.

Winner of the Credit Union-Orioles game will meet Affton for the playoff championship. Granite City pitcher Steve Lelik will take a 12-0 record against the Orioles, champions of the Muncie league.

Mitchell outthit Affton 10-7 in yesterday's game and scored four runs in the third, but was unable to get more than one run in the final six innings. The championship round of the playoffs will be a best-of-three series.

### Traffic Management Class Offered at SWIU

Southwestern Illinois University will begin its fourth annual traffic management program this fall by offering seven credit and two non-credit courses at East St. Louis and Alton, and Sept. 21. The program is designed to prepare candidates for the examination leading to certification by the American Society of Traffic and Transportation, and for the ICC practitioners exam. It provides a work knowledge of interstate commerce law and other information to help people in transportation improve job performance.

Registration for the non-credit course will be Wednesday, Sept. 9, in the university's East St. Louis Center, 9th and Ohio streets, from 7 to 8:30 p.m. Credit course registration will be Wednesday, Sept. 23, from 8 a.m. to 8 p.m., at SIU centers in East St. Louis and Alton, 2809 College avenue. Classes for credit begin Sept. 24.

According to E. R. Castevens, supervisor of Technical and Adult Education, persons wishing to enroll in credit courses should apply immediately for admission to the University through the registrar's offices at Alton, East St. Louis or Edwardsville. The list of credit courses includes Introduction to Business, Political Economy, Principles of Marketing, Transportation, American Government, Principles of Economics, and Business Organization and Management.

Non-credit courses are Rates and Tariffs I, to begin Sept. 21, and taught by Roy C. Bell, general freight agent, Illinois Central Railroad; and Interstate Commerce Law I, to begin Sept. 22, and taught by E. K. Brenner, traffic service manager, Cass Bank and Trust Co., St. Louis. Both will be taught at East St. Louis senior high school.

### Son Born To Former Rosemary Gwin

## Industrial Management Class To Be Given at GCHS by SWIU

Registration is Sept. 9 for five fall quarter industrial management courses to be offered in Granite City by Southwestern Illinois University. It will be held in the adult education office, Room 147, Granite City senior high school, from 8 a.m. to 4 p.m., and from 7 to 8:30 p.m.

Classes start the week of Sept. 21 at Granite City high school and the week of Nov. 23. Begun in 1956 in Granite City in cooperation with the East Side Manufacturers' Association, the university's industrial management program is tailored to meet the practical problems of management and the needs of employees in area industries. In 1957 the program was extended to Alton, and in 1959 to East St. Louis.

### Walker Named to Post On County ASC Board

### 'Lincoln in Illinois' Opens in Springfield

"Abraham Lincoln in Illinois" will open for its 19th annual production Thursday at New Salem state park, outside of Springfield. The Robert E. Sherwood play will run Aug. 27-30 and again Sept. 3-6, with curtain time at 7 p.m. on all days. Informal tours and reservations are available through the Lincoln Players, 111 East Adams street, Springfield.

### Reports Auto Damage

A car driven by Oscar L. Huber, 56, of Belleville, was damaged in the left front, at 3:45 p.m. Thursday when it collided with a Bell Telephone Co. truck operated by Larry E. Newall, 21, of Belleville, near Market street. Both vehicles were headed north on Broadway and collided as Newall made a right turn into an alley just north of Market street. Both cars were driven away.

### Right-of-Way Charge

A car driven by Oscar L. Huber, 56, of Belleville, was damaged in the left front, at 3:45 p.m. Thursday when it collided with a Bell Telephone Co. truck operated by Larry E. Newall, 21, of Belleville, near Market street. Both vehicles were headed north on Broadway and collided as Newall made a right turn into an alley just north of Market street. Both cars were driven away.

### Shines Light in Window

Police received a report at 11:20 p.m. Thursday that a boy was shining a light into a window at 4500 Kirkpatrick Homes. The boy was reprimanded and sent on his way.

### New Sidewalks, Fire House May Be GC Council Topics

New sidewalk construction may be a major topic at tonight's 8 o'clock session of the Granite City council. Recommendation is expected on award of a contract for construction of a new fire station in West Granite.

### Also expected is a second report on the purchase of a new road grader for the street department. Traffic control ordinances for stop signs and parking restrictions are to be considered.

The council last week accepted a lone bid from Elsworth Concrete Co. for new sidewalk construction and indicated that each project is to be given separate consideration before being undertaken.

### Sidewalk Projects

Projects proposed in recent months and over a period of years for the new sidewalk project in the vicinity of West 25th street and Missouri avenue to serve Logan school; along Johnson road for Elsworth Concrete Co. for new sidewalk construction and indicated that each project is to be given separate consideration before being undertaken.

### Present Building Too Small

An appropriation of \$80,000 was set up in the new budget for the new West Granite station along Rock road at Roosevelt street to replace the present building at Rock road and Cayuga street, which has been outgrown and is termite-ridden. With the new station the city plans to assign the department's extra emergency vehicle with resuscitation equipment to West Granite. A new vehicle was donated last spring by the Granite City Rotary Club as a civic project with funds derived from the club's annual horse show.

Apparent low bids for the fire house was Henry Ross Co. with a base bid of \$46,740 and a total bid of \$48,172. The additional amount was for three alternates — \$343 for a 3000 square foot gravel parking area, \$1080 for grade "B" ceramic tile instead of concrete block in the apparatus room and \$9 for three glass instead of steel in the overhead door.

Other bids were by L. Wolf Co., \$49,281 base figure and \$50,899 total; Ed-Moore Construction Co., \$52,975 base and \$54,350 total; and M. H. Wolfe Co., \$53,175 base bid and \$54,790 total.

The road grader bids ranged from \$16,890 to \$20,273, and the Street committee recommended the \$20,273 purchase with a \$1000 discount credit on rental of a grader. The recommendation was based on suggestions for a top flight model by the superintendent of streets and area contractors. However, the council called for another recommendation after Supt. Warfield said the \$16,890 model would be satisfactory.

An ordinance to rezone the former Kate street postal station from residential to business to permit its use as a warehouse by the Tri-City Tobacco Co., now at 5201 Madison avenue, is to be submitted.

The City Plan Commission approved the request by Mrs. June Stieb, owner of the property. Also approved by the commission was a request by Martin Polte for a zoning change at 2938 Oregon avenue to permit a two-family dwelling unit.

## Probe Continues into Fatal Shooting of Man

An investigation into a fatal shooting nearly three years ago of an East St. Louis railroad telegrapher near Granite City is continuing, Sheriff Barney Fraundorfer reported over the weekend. The case may be presented to the September grand jury.

Investigators have been working quietly on the death of Billy G. Barnes, 34, of Washington Park, who was found Oct. 25, 1961, in a car on a road leading to a railroad tower off of Highway 162 near the Granite City Steel Co. blast furnace division plant.

Barnes had been shot seven times with a .22 caliber weapon. Fraundorfer declined to expand his report on the inquiry but said the case had never been closed.

### Two Granite City men were held for questioning after the shooting, including one who discovered the body. The other refused to make any statement.

The probe into the death was started by George Musso who was sheriff at the time. Railroad detectives have been assisting in the investigation as the body was found on railroad property.

### John W. Kowalk Named 'Airman of the Month'

Airman Second Class John W. Kowalk, son of Mr. and Mrs. Wayne A. Kowalk of 2415 E. 97th St., has been selected "outstanding airman of the month" in his Strategic Air Command (SAC) unit at Blytheville AFB, Ark.

Airman Kowalk, a warehouse specialist, was chosen for the honor in recognition of his exemplary conduct and duty performance. He is assigned to the 97th Supply Squadron, which supports the SAC mission of keeping the nation's intercontinental missiles and jet bombers on constant alert.

The airman is a graduate of Granite City high school. He is a member of the Granite City high school. He is a member of the Granite City high school.

## Social Security Accepts Various Proofs of Birth

No one need fear that lack of a birth certificate will keep him from collecting social security benefits, according to Ralph Brasher, district manager of the office in East St. Louis.

Although social security offices have suggested that applicants for social security benefits bring any available evidence of their age with them, this suggestion has been made only to speed the payment of their claims for benefits, and save them additional trips.

A person of retirement age who does not have documentary evidence of his date of birth need not delay applying for his social security benefits, Brasher said. The social security office will give advice on how to get proof that the required age has been reached.

"Many people," Brasher said, "worry unnecessarily because they do not have an official birth certificate issued at the time of their birth." While a birth certificate is the best evidence of age, other evidence is acceptable and can be used as proof of age when a birth certificate is not available.

Brasher pointed out that a certificate of baptism is also good evidence as to date of birth and so is a Bible in which the births in a family were recorded at the time they occurred.

"If you were born abroad, you may have a naturalization certificate. There may be an old hospital record showing your age at the time you were hospitalized, or a military record if you were ever in the armed services."

"You may have a school diploma or a report card. While these would not show your age, a letter to the school might get you an answer showing your age at date of birth as shown in the school records."

"An old life insurance policy, whether or not it's still in force, may show your age at the time the policy was issued. Your marriage license may even serve to prove your age, although here

some women may find that a little white lie told a score or more years ago, when they applied for their marriage license, will come back to haunt them."

"You may have some other record, which in the absence of a birth certificate will serve as well as those mentioned to establish your age when you apply for social security benefits. Take it in to your social security office. If it will not do, the person in the social security office will tell you how you can go about getting better evidence."

"No one," Brasher said, "will be turned away from a social security office because he does not have documentary proof of his age. As long as the person is interested in locating reliable evidence of his age, his social security office will help him and keep his application open."

## County Board Awards Storm Damage Work

The Madison county board of supervisors has awarded contracts for repairs to storm damage to county buildings.

Edwardsville Roofing Co. is to install a new roof on the court house on a sole bid of \$2371; Carl Coleman, Edwardsville, has been awarded the contract for painting walls and ceilings on the second and third floors of the court house caused by water damage on a lone bid of \$397; Bogard Roofing & Siding Co. of Collinsville will place new roofs at the county nursing home and Civil Defense building on a low bid of \$3470. The cost is covered by \$100 deductible insurance policies.

Before bids are sought for 2500 school directories, county school Supt. Wilbur Trimpe is to be called upon at the next board meeting on Sept. 8 to explain the necessity of the publication.

The county is to call for bids for security cells in the county jail.

The board has approved purchases of two IBM tape recorders and supplies for the sheriff's office for \$886, four file cabinets and three typewriter stands from Triangle Typewriter Co. of Granite City, and an executive desk, a chair and two typewriters from Don Old Office Supply of Edwardsville on low bids totaling \$697.

Reports showed that there were 59 patients in the county nursing home on July 31, an increase of one during the month, and 52 at the tuberculosis sanatorium, a decrease of one.

REV. JAMES H. ELDRIDGE, newly-appointed pastor of Central Free Methodist Church, 22nd and State streets, who assumed his new duties here over the weekend, preaching at the regular scheduled services Sunday.

## Rev. Eldridge Arrives At Central Methodist

The Rev. James H. Eldridge, who has served as pastor of various churches in the Central Illinois Conference of the Free Methodist Church for 38 years, has been appointed pastor of Central Free Methodist Church, 22nd and State streets. He assumed his duties Sunday.

The most recent pastorate of Rev. Eldridge was in Lewistown, Ill.

He received his Bachelor of Arts degree at Greenville College, and a Master of Science degree from Western Illinois University. He has served several years as high school guidance counselor and participated in the field of pastoral counseling.

The Eldridges have one son, Robert, 14. Mrs. Eldridge has been active in the Woman's Missionary Society and has served as president of the Springfield district and secretary of the conference organization.

## Henley to be Leader At Methodist Retreat

Raymond Henley, 2540 Cleveland Blvd., district lay leader, is in charge of arrangements for a combined Methodist District laymen's retreat and Southern Illinois Conference youth seminar to be held on the campus of McKendree College in Lebanon Aug. 29.

The event, sponsored by the East St. Louis District Board of Lay Activities, will begin at 1 p.m. Aug. 29 and will close with a dinner at noon the next day. The two-day program will include worship, group discussions, prayer and workshops for laymen from the 49 churches in the district.

## Eagle Park Residents Apply for Gas Service

Response to a recommendation by the Eagle Park Improvement Association for residents to apply for natural gas service has been tremendous. It was reported today by Cleveland Johnson, president.

The recommendation was made this week to the estimated 200 families. A \$15 deposit is required and is to be refunded by Illinois Power Co. after a year. Johnson, who was aided by William Gathright in working out the arrangement, said Illinois Power will install up to 50 feet of connecting gas line at each home.

## 100 Horses Here Sunday

## Crowd-Pleasing Parade Class, Races in Show

The silver-spangled parade class and speed races, traditional crowd-pleasers at horse shows, are included in the program for next Sunday afternoon's Western show booked by the Granite City Rotary club.

Beauty is the prime consideration in judging the parade class, 10th on the Rotary's 16-class program for the 1 p.m. show at the Tri-City Speedway. Stylishness, personality, eye appeal and manners are all carefully considered by the show judge.

Ill-Mo Horse Show Association rules provide that horses should have a full mane and tail, which may be arched but not held vertical. Horses should be in good condition and, since beauty is the key factor, blemishes are considered.

Performance Counts 75% Horses in this class must be on good behavior since 75% of the judging is based on its performance. They lose points for speeding, switching tail, opening mouth, fighting the bit, halting, hesitating or zig-zagging. They must be shown at a walk or parade gait.

Although the appointments—the silver-trimmed saddle and other accessories that adorn the horse—get many oohs and aahs, they count only 25% in the judging.

Speed events at the show will include the flag race, timed event in which horsemen ride past the starting line, pluck a flag from a barrel of sand, circle

## Madison Council Hears Protest On Depot Store

The Madison city council is considering a strong protest from Avery-Schmerer, president of Schermer Supermarkets, against operation of a "large supermarket" at the Granite City Army Depot.

In a letter to Mayor Stephen Maeras, Schmerer criticized "the continued spread of government-run businesses which are supported by the taxpayers."

He charged that the operation "is selling merchandise at cost to government employees and we, the taxpayers, are picking up the tab for the cost of lights, rent, labor, etc., the regular costs of doing business which we all incur."

"Further, since no sales tax is collected on these sales, the loss of revenue to the state and local municipalities can only be reflected in higher taxes for us all."

**\$5.8 Million Business**

"I hear that this operation expects to do over \$300,000 per month. That's \$3,600,000 per year. This means \$144,000 per year in additional taxes we the taxpayers of Illinois will have to pay; also, the cost of doing business in our industry is about 17%. This means to support this operation, we must also come up with \$612,000 in federal taxes."

Schmerer noted that a similar operation at Scott Air Force Base is doing twice the volume of the local facility expects. He urged residents to protest to legislators, and said that if such business is to be encouraged, "why not have tax-free installations for labor unions, school board employees, municipal workers and others so that everybody can buy at a government subsidized store? The only question is, who will be left to pay the bill?"

**Suggests Solution**

Schmerer suggested that government-run businesses be put on the same footing as privately-run businesses. "That is, they should pay taxes, and should sell their product at a price that will cover the costs of doing business."

"If this is done, I feel sure that the patrons of the installations will find privately-run businesses more attractive, and these government-sponsored competitors will fall of their own weight. As long as we subsidize government businesses, we are discriminating against the people who pay the taxes."

Mayor Maeras commented that servicemen, because of their low pay, deserve a price break at the Depot's commissary, but that the operation is being abused if it is available to most of the public. He said he will contact Cong. Melvin Price and Sens. Dirksen and Douglas, but he doubts if any effort for federal legislation would be successful without widespread and loud public clamor.

## Rev. Craddock Speaks At Optimist Meeting

Rev. James Craddock, pastor of the Central Christian Church, addressed the Granite City Optimist club Thursday afternoon on the topic, "Our Changing World."

Optimist President Robert Brava announced the club was taking 50 youngsters to the Cardinal Glennon benefit football game held Friday in St. Louis. Thirty members attended the meeting.

Next Thursday the Optimists will hold a 7 p.m. meeting at the Elks' club.

placed cars at the disposal of the ensemble during its stay there, and he and his wife personally awarded medals of the order to Director Robert D. Toberoff, ensemble members Eugene Alassi, public relations director, and Consuelo Martinez Elizondo, Mexico Education Department representative on the tour. The awards were regarded as an honor similar to that of receiving the key to a city.

Although the ensemble had to arrive at 3:30 a.m. for the 12-city train ride to Durango, the journey took it away from the 38-degree weather encountered in Zacatecas, which has an altitude of 8000 feet.

In Zacatecas, the Granite City-Elizondo, Mexico Education Department representative on the tour, the awards were regarded as an honor similar to that of receiving the key to a city.

**Heart Failure Fatal To Mrs. Doerner, 83**

Mrs. Anna Doerner, 83, of 1620 Moro avenue, died 4:30 a.m. today of congestive heart failure at the home of a daughter living in Madison. She had been ill the past two and one-half years and seriously so for the last three weeks.

last burial 25 years ago. The cemetery also has been frequent targets of vandals who have damaged grave markers and set weed and trash fires. In the past year, Jenkins has made several trips to Bishop O'Connell's office in Springfield for assistance, and the Bishop this week is sending letters to the Catholic parishes here to call the meeting.

Jenkins explained that if the plan is successful, the Chancery office will deed the old St. Mark's Cemetery to the city and the city then will lease it to the park district for the development of a "quiet park" with lawns, shrubbery, trees, walkways and benches. The term of the lease would be 99 years. It also is planned for a suitable monument to be erected in memory of the people buried in the tract.

### Attempted Theft

Attempted theft of a battery from his 1957 auto parked near the Army Depot main gate was reported to Granite City police Friday by Charles Wampler of the 26th Engineer Co. The battery was found under the car. Wampler said the thieves also broke the radio aerial off the car.

Those attending were Miss Norma Rivior and Madames Eva Pulley, Mary Bunn, Joyce Fricke, Minnie King, Geneva Grunwald, Mabel Green, Edith Rhodes, Marie Ackman, Gladys Potillo, and grandson Bradley Lane, Rivior and Alma Burnett and son, Cordell.

**LEADERS CLASS PLANS CONGREGATION PARTY**  
The Leaders class of Dewey Avenue Methodist Church met Thursday evening with the president, Mrs. Dorothy Ashford, in charge of the meeting.

Plans were made to sponsor a Halloween party for the church congregation. A box supper and music festival were also discussed for late fall. Those present were Rev. and Mrs. John Amburger, Mr. and Mrs. Frank Polker, Mr. and Mrs. Carl Dufraim, Mr. and Mrs. Jerry Potillo and Mrs. Doris Sexton and daughters, Laurie and Donna.

Training Union of Second Baptist Church held its monthly planning meeting Thursday evening at the church with Director

Boh Lewis in charge. Plans were made for an annual promotion on Sunday, Sept. 27, and also for a special planning meeting Sept. 17. All new and past officers, directors and leaders will attend the latter meeting, which will begin with a pot luck supper at 6:30. Prayer and devotion were given by Lewis before adjourning.

**DAY CAMP ENJOYED BY COUNTY SUNBEAM GROUPS**  
Madison County Baptist Association World Friends Sunbeam Day Camp was held Saturday at the Baptist recreational grounds at Mitchell.

Sunbeams and their leaders representing Meadow Heights, Venice, Emmanuel, and Second Baptist churches were present for the day-long event. Each group was assigned to units and the boys and girls enjoyed nature hikes, mission and Bible study, songs, prayer and crafts.

Lunch was enjoyed in each unit and, at dismissal time, Mrs. Betty Lewis, county Association director, discussed the work of the day.

Boys and girls from Meadow Heights Baptist Church, dressed in costumes of different countries, sang a song directed by Mrs. Linda Allenburger, leader. Other leaders present were Mrs. Gladys Nash, Venice, and Mrs. Della Mahurin, Emmanuel. Mrs. Lewis led the group from Second Baptist. A visitor for the day was Mrs.

### Miss Sheppard to Attend Retail Clerk Conference

Miss Hetty Sheppard, secretary-treasurer of the Retail Store Employees union, Local 435, will attend a special leadership conference sponsored by the Retail Clerks International Association in Washington, D.C. The conference will be from Aug. 30 to Sept. 4.

Authorities from universities and the government will present specialized subjects. The conference is designed to aid in RCIA's quest for a broad educational presentation to its leaders.

### Brief Lions Meeting

Their meeting held brief because of limited attendance. Madison Lions Thursday night discussed resuming activity of the blind and sight conservation committee when school starts. Many members were in Springfield for governor's day at the state fair.

### \$30 Disturbance Fine

Harold Loman, 42, of 1000 Cleveland blvd., was fined \$30 Saturday morning when he pleaded guilty to creating a disturbance about 3:15 a.m. at West 20th street and Rock road.

Vera Ridgeway, Association WMU president, from Meadow Heights Baptist Church, also visiting the group in the afternoon was Rev. W. J. Richardson, Associational missionary. There were 36 present.

### Slides on Wet Street

Lydia L. Metcalf, 34, of 3440 Lundy lane, suffered minor injuries at 5:20 a.m. Friday when his auto skidded on rain-slick pavement and crashed into a car parked on Broadway between Market and Second streets in Venice. Metcalf received a cut on his left forearm. His car was damaged extensively and had to be towed away.

Police said Metcalf was headed south on Madison avenue and his car skidded on the curve as he entered Broadway, colliding with a car parked at the side of 1438 Second street. Police said they had no report on the identity of the owner of the parked auto.

### Car Hit in Rain

Steve Nemeth, 53, of 1639 Sycamore avenue, a construction worker, was hospitalized here with fractured ribs and cuts to his forehead, suffered about 7 a.m. Friday when his auto was struck by another car near the roundhouse in Brooklyn. There was a heavy downpour at the time.

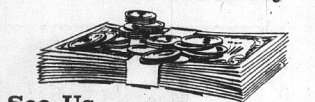

### Auto Goes Into Ditch

Dewey Loberg, 19, of Perryville, Mo., escaped injury Friday morning when his auto skidded on wet pavement and went into a ditch along Route 111, a half-mile north of Route 35. He told police he was passing an auto when he lost control.

Autos driven by Gilmur E. Burgess, 35, Collinsville, and Sylvia Suttle, 26, East St. Louis, were damaged in a collision at McCambridge avenue and Third street in Madison during heavy rain Friday at 8:30 a.m.

Police said Burgess told them he was unable to stop his car on slippery pavement on McCambridge avenue and skidded into the Suttle auto which had slowed to go through a deep puddle of water.

The last time you could give a man a timepiece this new was in 1664.

That was the year they put the balance wheel into the watch and started watches ticking. Now the tick tick is obsolete. After 300 years, it's been replaced by the tiny Accutron tuning fork which keeps time through vibrations. The result is a very faint hum and the most precise wrist timepiece ever. Accutron guarantees average daily accuracy within 2 seconds. (We might mention that the Accutron movement is used in U.S. satellites and has been issued to all X-15 pilots.) We'd say this is the perfect gift of time.

A small Bible study group and church nursery were among the new projects discussed. Tentative plans were made.

Mrs. Soehnlin gave the topic, "The Object of The Lutheran Women's Missionary League." Mrs. Caroline Fechner spoke on the advantages of a church library, and Pastor Buls gave the lesson, "Spiritual Life Mission."

The league presented a farewell gift to Vicar and Mrs. Lee Berndt. They will return to the Concordia Seminary, St. Louis, where he will complete his last year of study.

The hostesses, Mrs. Grady Underwood and Mrs. Elroy Sanders, served refreshments to those mentioned and Mesdames Alvin Accola, Frank Champion, Oscar Moehle, Charles Knecht, Pastor Buls and Vicar and Mrs. Lee Berndt. The next meeting will be Sept. 24 at the church, with reports heard from the delegates.

WINS DIVING HONORS

Kelly Hogan, 3205 Wilshire drive, entered the ninth annual swimming and diving open meet held Thursday through Sunday at Webster Groves. He placed sixth on the one-meter and three-meter boards. Competing were members of 31 clubs from Kansas, Hawaii, Missouri, Illinois, Indiana, Arkansas, Arizona, Ohio, Michigan, Kentucky, Nebraska, Louisiana and Washington, D.C.

Hogan also entered a diving meet held at the Turners pool in Belleville Saturday and took first place honors on the three-meter board and second place on the one-meter board. The son of Mr. and Mrs. John Hogan, he will complete his last year of high school at GCHS and hopes to continue his diving through the year and into college the following year.

## It's good to belong to a Medallion Home family

This happy family made sure their new home was built for all the comfort and convenience of modern electric living.

They insisted on a Medallion Home... marked with the symbol that means better living, electrically.

They knew this meant an electric system with little chance of blown fuses—checked by Illinois Power Company for adequate

wiring, heavy-duty circuits, special purpose circuits, general purpose circuits, outlets, light wherever needed, and at least four major electric appliances, including an electric range.

And it's good to know the Medallion on any home means good resale value when you move—as well as happier living through all the years you live in it.

When you build or buy—insist on a Medallion Home

#### Mission Will Observe

##### Youth Night on Thursday

Youth Night will be observed at the Gospel Mission, 2014 East 20th street, Thursday at 7:30.

Senior League members will be in charge of ushering and will also serve on the welcoming committee. The Junior Choir will be seated in the Senior Choir section and will be paid special tribute. There will be special music by the Sunbeam Choir assisted by the Senior Choir and the speaker will be Rev. Howard C. Stein of Grace Christian and Missionary Alliance Church, St. Louis.

Mrs. Bethel J. Davis is superintendent of the Mission.

## Unpaid Taxes Mounting in Quad-City Area

The growing problem of personal property tax delinquencies in Granite City, disclosed last week by City Treasurer E. R. Rich, is equally serious in other sections of the Quad-City area, a survey of tax records by the Press-Record showed today.

The amount of delinquent taxes also is increasing steadily in Venice, Nameoki and Chouteau townships and is not confined to personal taxes alone. Real estate tax delinquencies also have increased in all four townships.

Greatest increase in both personal and real estate tax delinquencies during the past year is in Venice township.

where, at the beginning of the current tax collection period, the personal property delinquency stood at \$86,480 and the real estate delinquency at \$105,122 for the 1963 tax year. This compares with unpaid personal taxes totaling \$68,868 and unpaid real estate taxes of \$141,504 a year ago.

The total of \$86,480 in delinquent personal taxes in Venice township is slightly higher than the total of \$85,427 in unpaid personal taxes now on the Granite City books. The same is true of delinquent real estate taxes in Nameoki township totaling \$24,622, but at the beginning of the current collection period the books showed a total of \$34,541 in unpaid personal taxes. Real

#### Back Tax Up 19%

For the 1962 tax year, Venice township had on the books a total of \$210,466 in all types of unpaid taxes. Extension of 1963 taxes which are now being collected showed an accumulation of \$251,603 in all types of back taxes. This is an increase of 19% over a one-year period.

Unpaid personal taxes in Nameoki township have jumped 40% within the past year. At the beginning of the tax collection period for 1962 taxes a year ago, personal tax delinquencies in Nameoki township totaled \$24,622, but at the beginning of the current collection period the books showed a total of \$34,541 in unpaid personal taxes. Real

#### Personal Delinquency High

Granite City's total delinquency for the 1963 year is \$203,381, compared to \$184,661 a year ago. This is an increase of \$18,720, or 10%, within a one-year period. In the case of Granite City, however, the total amount of unpaid personal taxes represents \$85,427 of the total delinquency.

Collectors are not as concerned over the delinquencies as they are about the situation in other townships. The amount of personal tax delinquent at the end of each collection period in Chouteau township is small, with the bulk of unpaid taxes extended against real estate taxes. Chouteau has a record of \$80,077 in uncollected real estate taxes on the 1963 books, compared to \$85,594 a year ago.

#### 3-Car Crash Sunday

Three autos were involved in a collision about 8 p.m. Sunday at Nameoki road. One driver, Barbara Hall, 24, of East St. Louis, who was going north on Nameoki road, was charged with operating a motor vehicle without a driver's license.

Police said the other autos were being operated north on Madison avenue by Leonard Reeves, 21, of 2713 Dale avenue, and Robert Cope, 19, of Ferguson, Mo., and that the Hall auto was proceeding on an amber light.
